Atlanta, GA 30365

Dear Mr. Brittain:

Reference is made to our meeting on April 6, 1993 regarding removal action at the old Plating Shop at the Naval Aviation Depot on NAS Jacksonville.

Pursuant to your comments during the meeting, we are enclosing the CERCLA Removal Action Plan for the overall removal/decontamination and disposal activities for your use. During a meeting with Mr. Ashwin Patel, Florida Department of Environmental Regulation, on June 11, 1993, we resolved his concerns on emissions from the mobile treatment system. After we complete mobilization activities in late June, we will begin removal activities.

We appreciate your assistance and advice on this matter. If you have any questions, please contact Mr. Kevin Gartland, Facilities and Environmental Department at (904) 772-2717.

Sincerely,

DEANE E. LEIDHOLT
